SCHEDULE 1.34

Assumed Contracts

This Schedule 1.34 contains all executory contracts, unexpired leases, and other Assumed Obligations to be assumed by the Reorganized Debtors pursuant to sections 365(a) and 1123 of the Bankruptcy Code.¹ Debtors' executory contract files are imperfect and Debtors therefore continue to analyze their executory contract files to ensure that all appropriate operational, construction and other contracts are included on this Schedule 1.34. Debtors intend to make future revisions to this Schedule 1.34, as soon as practicable, to ensure the accuracy and completeness of the same. Debtors will endeavor to provide a completed version of this Schedule 1.34 at the time of filing the Plan Supplement; however, to Section 5.1.8 of the Plan, Debtors reserve the right to modify this Schedule 1.34 at any time before the Confirmation Date. To the extent the foregoing is inconsistent with the text of the Plan, it is Debtors' intent to amend the Plan to render the Plan consistent with this Schedule 1.34.
